What is A PMP?

GATEWAY REGION SECTION 3

# ORDER OF THE ARROW

- PMP does not define a Lodge
  - Does not include programs or experience
- PMP does not tell us *\*how\** to improve, only *\*where\** to improve
- No member will care how many points you lodge has

## Exercise!

- Who has a calculator?
- $(0.90 / \text{Election}) * (0.90 / \text{Induction}) * (0.50 / \text{Activation}) = \text{Growth Factor}$
- $(0.90 / 0.87) * (0.90 / 0.71) * (0.50 / 0.37) = \dots = 1.77$
- $4,512 * 1.77 = \dots = 7,986 \text{ Members!}$
